

Worksheet.SummaryColumnsLocation

Description

A [SummaryColumnsLocation](#) value specifies the location of the summary column for a set of grouped columns.

C#

```
public sealed class SummaryColumnsLocation : TypesafeEnum
```

vb.net

```
Public NotInheritable Class SummaryColumnsLocation  
    Inherits TypesafeEnum
```

Values

Name	Description
Left	To the left of the grouped columns
Right	To the right of the grouped columns
