

CompatibilitySettings.SuppressTopSpacing

Description

Sets or returns a boolean that represents whether or not Word will suppress line spacing at the top of the page in this document.

C#

```
public boolean SuppressTopSpacing{ get; set; }
```

vb.net

```
Public Property SuppressTopSpacing() As Boolean
```

Remarks

MS Word equivalent: Tools menu > Options... > Compatibility tab > Compatibility options for [filename].doc section > Options > Don't balance columns for Continuous section starts

Examples

C#

```
//--- Return SuppressTopSpacing
    bool suppressTopSpacing = cs.SuppressTopSpacing;

    //--- Set SuppressTopSpacing
    cs.SuppressTopSpacing = true;
```

vb.net

```
'--- Return SuppressTopSpacing
    Dim suppressTopSpacing As Boolean = cs.SuppressTopSpacing

    '--- Set SuppressTopSpacing
    cs.SuppressTopSpacing = True
```
