

Pictures.GetEnumerator()

Description

Returns an IEnumerator for the Pictures in a Slide

C#

```
public IEnumerator GetEnumerator()
```

vb.net

```
Public Function GetEnumerator As IEnumerator
```

Returns

An enumerator for the Pictures in a Worksheet as a System.Collections.IEnumerator

Examples

C#

```
IEnumerator enumerator = slide1.Pictures.GetEnumerator();
```

vb.net

```
Dim enumerator as IEnumerator = slide1.Pictures.GetEnumerator()
```
