

ExcelWriterException

Description

All methods in the ExcelWriter API can throw an exception of type ExcelWriterException.

C#

```
<p><a class="unresolved" href="#">Serializable</a><br />
public sealed class ExcelWriterException : System.Exception,
System.Runtime.Serialization.ISerializable</p>
```

vb.net

```
<p>&lt;Serializable()&gt; _<br />
Public NotInheritable Class ExcelWriterException<br />
Inherits System.Exception<br />
Implements System.Runtime.Serialization.ISerializable</p>
```
