

ColumnProperties.OutlineCollapsed

Description

Sets or returns whether the column's outlined column group is collapsed. If the outline is collapsed, the column is hidden.

C#

```
public boolean OutlineCollapsed{ get; set; }
```

vb.net

```
Public Property OutlineCollapsed() As Boolean
```

Examples

C#

```
bool collapsed = colProps.OutlineCollapsed;  
colProps.OutlineCollapsed = true;
```

vb.net

```
Dim collapsed As Boolean = colProps.OutlineCollapsed  
colProps.OutlineCollapsed = True
```
