

Axis.TickLabelPos

Description

A [TickLabelPos](#) value specifies the position of axis tick labels.

C#

```
public sealed class TickLabelPos : TypesafeEnum
```

vb.net

```
Public NotInheritable Class TickLabelPos  
    Inherits TypesafeEnum
```

Values

Name	Description
HighEnd	Tick labels will be displayed at the top of the chart's plot area.
Invisible	Tick labels will not be shown.
LowEnd	Tick labels will be displayed at the bottom of the chart's plot area.
NextToAxis	Tick labels will be displayed next to the axis.
